Training--it's our only business

Stay current with approved water and wastewater Continuing Education Units the easy way--**online!**

- No travel costs
- Take courses when and where you want
- Log on and off as often as you like
- Review material and retake quizzes as many times as you need

All courses are for 10 renewal hours

PUMP AND MOTOR MAINTENANCE

License: NYSDOH & NYDEC; \$225

- Developing a Program
- Prime Movers: Electric Motors and Controls
- Centrifugal Pump Mechanics
- Centrifugal Pump Hydraulics
- Lubrication
- Bearings
- Compression Packing
- Mechanical Seals
- Positive Displacement Pumps
- Special Pumping Units
- Water Utilities Safety

W	WW	I	D	C
1.0	1.0	1.0	1.0	1.0

CHLORINATOR SYSTEMS AND CHEMICAL HANDLING

License: NYSDOH; \$225

- Getting Started and History of Chlorination
- Chemical Handling and Safety
- Physical and Chemical Properties of Disinfectants
- Process Applications
- System Types
- Injectors/Ejectors
- Containers and Connections
- Gas Chlorinators and Switchovers
- Maintenance and Troubleshooting
- Chlorination Math

BASIC WATER WORKS

License: NYSDOH; \$225

- Operations of the Water Utility
- Water Characteristics
- Water Quality Standards
- Disinfection
- Groundwater and Wells
- Surface Water Production
- Distribution & Safety

W	WW	I	D	C
1.0	.15	.15	.15	.05

WATER UTILITY CALCULATIONS

License: NYSDOH & NYDEC; \$225

- Intro to Water Utility Calculations
- Conversions
- Surface Area
- Volumes
- Solving For The Unknown
- Solving Word Problems
- Velocity
- Flow
- Detention Time
- Loading Calculations
- Efficiency/Percent Calculations
- Conversion Factors, Equations, and Formulas

W	WW	I	D	C
1.0	1.0	1.0	1.0	1.0

BASIC ENVIRONMENTAL CHEMISTRY

License: NYSDOH; \$225

- Basic Environmental Chemistry
- Atomic/Molecular Weight
- Dilution Calculations
- Water/Wastewater Chemistry
- Wastewater Chemistry
- Coagulation, Softening and BOD
- Chlorination, DBP and Corrosion Control

W	WW	I	D	C
1.0	1.0	1.0	1.0	.5

WATER UTILITY SAFETY

License: NYSDOH & NYDEC; \$225

- Intro to Water Utility Safety
- Personal Protective Equipment
- Back Safety
- Hazard Com. & Chemical Safety
- Laboratory Safety
- Biological Hazards
- Confined Space Safety
- Emergency Response
- Electrical Safety
- Trench Safety
- Work Zone Safety
